

LVN JOB DESCRIPTION

Under the direction of the Nurse Manager, the Licensed Vocational Nurse (LVN) is responsible for assessing patient needs (physical, emotional, social, and spiritual), planning and performing direct and indirect nursing interventions, and evaluating appropriateness and effectiveness of nursing care. Bi-lingual skills are a plus!

Qualifications

- Holds a current license in good standing with the California Board of Licensed Vocational Nurses (LVN).
- Has current CPR certification.
- Possesses good physical and mental health (annual health exam required).
- Demonstrates competent knowledge of care for STI, obstetrical and women's health issues.
- Agrees with the Center for Life Choices' Statements of Principle, Mission and Faith.
- Is dependable, stable and capable of following through on commitments.
- Has a sincere desire to reach out to women and their families in unplanned pregnancies especially the abortion-vulnerable and abortion-minded.
- Respects confidentiality.
- Maintains a consistent life-affirming philosophy and would never refer/advise a woman to have an abortion.
- Completion of the orientation requirements.

Responsibilities

Patient Care

- Performance of pregnancy tests and STD/STI testing per clinic protocol. Provides medical education on ultrasound procedures, STIs, and pregnancy testing to all patients per clinic protocol.
- Provides nursing care that assesses patient needs and makes nursing judgments that reflect safe nursing practices.
